## At 10.30am Morning services...

### **SEASONAL CELEBRATORY LANDMARKS**

Here we celebrate three big footprints of Jesus inaugural time following his birth which have been part of the worldwide church's character for centuries. Epiphany speaks to us of what it means for Christ's light to shine out in a world of darkness. Jesus baptism, as with ours, empowers us for our belonging and ministry. The first miracle speaks of the new wine of the coming Kingdom. We learn yesteryear's lessons for today from all three.

### **UNASHAMED OF THE GOSPEL**

Romans 1:16 *I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes: first for the Jew, then for the Gentile. 17 For in the gospel a righteousness from God is revealed, a righteousness that is by faith from first to last, just as it is written: "The righteous will live by faith."* At times the Good News we have received is difficult to share with a world that never has time to stop and listen to us as bearers of the critical Gospel of Salvation. In these opening chapters we brush up on what are often some of the more difficult things to understand and to take to heart before the light of grace opens our eyes to understand our salvation more fully. (To be continued...)

## At 6.30pm Evening services...

### **COLOSSIANS – ESSENTIALS FOR LIFE & JOY!**

What it says on the tin above! Paul wrote to the Colossians that they might move ever forwards into the true fulfilment of their faith. Who wouldn't want that?! So in their footsteps we follow and learn...!

### **"THINGS THEY NEVER PREACH ON TODAY"**

Turning Points is a new idea for our evening services. Every now and again we will be asking the congregation 'what we never hear preaching on', and by implication, what we would like to hear preaching on! We will then search the Scriptures for wisdom. Please let clergy have topics or Bible material you would like to grasp better.
