At 10.30 am Morning services...

1 CORINTHIANS FOR YOU!

It is vital that we think and talk about grace, but sometimes we just need to *see* grace. That's what this, the most wide-ranging of Paul's letters, puts so richly on display. The Corinthians church so wanted to be the best, but in their yearning to be so, they were in desperate danger of losing the very grace, mercy and truth which was so critical to them in fulfilling their potential. If we, like them, can heed the Lord's Word, our potential becomes limitless...

At 6.30 pm Evening services...

AN UNSHAKABLE KINGDOM

The Book of Hebrews asks us searching questions about the progress we are making in our pilgrimage of faith and helps us to understand both its beauties and its difficulties. Examination of both these underlying themes of the book will strengthen us. As the original readers discovered, faith finds its only secure resting place in the true and coming King whose kingdom will stand even when everything else is shaken and falls to pieces. We examine and consolidate our faith that we may be certain of the unshakable kingdom our Lord has called us to.

am & pm ADVENT THEMES!

Advent is always a great time of year to realise afresh the realities of the Kingdom of God. What if the Lord were to return today? How would we want to be found living our lives faithfully to his Glory? The Church should always be keeping herself in 'a high state of readiness'! We engage in a little fitness training...!
